

ESHA SRINIDHI

CS UNDERGRAD IN VIT-AP

Full name	Tangilla Esha Srinidhi	Phone	9666932222
Email	teshasrinidhi@gmail.com	Linked In	Srinidhi Tangilla

EDUCATION

2019- 2023
Vellore
Institute of
Technology

Bachelors in Technology

Computer Science Engineering

- **CGPA: 8.13**

2017-2019
Ascent Jr.
College

Board of Intermediate Education

- **CGPA: 10**

2015-2017
Sri Chaitanya
EM School

Board of Secondary Education

- **CGPA: 10**

PROJECTS

- **Automated Road lane Detection System**

- **Little Things: A Daily Journal App**

- **Automatic Watering System**

- In this project, I developed an end-to-end automated lane detection system as part of the Deep Learning course.
- As an introductory project to myself, I've been exposed to various Machine Learning Techniques and the field of Computer Vision
- We developed this app as part of a Mobile Application Course.
- This app allows the user to simply set reminders, take notes with an simple user interface.
- Throughout the hottest months from the summer, plants may dry out, plus leave a when colorful garden entirely dead.
- In this project, we built an automated plant watering system, using ARDUINO and various other sensors

SKILLS

- **Programming Skills-** Java, C++, HTML, C, Python(Mediocore),R(beginner)

- **Technical skills**- Word, Excel, Powerpoint.
- **Communication Skills**- Active listening and Presenting skills.
- **Planning**,problem solving skills.
- **People management**- Mentoring,Team building.
- **Creative thinking**, Open mindedness

CERTIFICATIONS

I have done globally recognized ISO certified -three month course in C, C ++, Java and Python(core levels) issued by AQURA INFOTECH.

Certified in Microsoft Azure (AZ900) Fundamentals

Certificate of appreciation-National Online Hash Crack Challenge
